# Wireless Printing

**Print from your smartphone, laptop, or tablet to any library location**

# Hillsborough County Public Library Cooperative

Print your documents from any internet-connected device. Items sent are stored for 24 hours and can be printed at any library.
Customers will receive free print credits for either 10 black & white or 5 color prints each day. Additional prints cost $0.05 per black & white and $0.10 per color page on single-sided 8.5"x11" paper.

## PRINTING INSTRUCTIONS

### Web

**Go** to the library's wireless printing page **HCPLC.org/WirelessPrinting**.

**Enter** your name or library card to uniquely identify your print job (required).

**Drag** and drop your file or use the **Select** File button.

**Choose** the number of copies and B&W or Color.

**Enter** your email address or phone number for receipt (optional).

**Retrieve** your print job from any library printer using the name or library card you used.

### Email

**Email** print job to either:

**Black & White printing:**
bw-hcplc@eprintitsaas.com

**COLOR printing:**
color-hcplc@eprintitsaas.com

**Retrieve** your print job from any library printer using the release code from your confirmation email.

### ePRINTit SaaS Mobile App / Mobile View

**Download** the ePRINTit SaaS app.

**Accept** the ePRINTit Online Privacy Statement.

**Select** the print option (email, pictures, files, OneDrive, DropBox, etc) and upload print job.

**Select** the library location to send the print job.

**Enter** your name or library card to uniquely identify your print job (required).

**Choose** the number of copies and B&W or Color, then **Click** Submit.

**Retrieve** your print job from any library printer using the name or library card you used.
